Flower Drum

At Flower Drum, we skillfully blend special ingredients from around the world with traditional Cantonese cooking. Our chefs carefully select the best ingredients and use classic techniques like frying, steaming, and roasting to create exciting new flavors.

This isn't just mixing foods together - it's about understanding different food cultures to make dishes that are both familiar and wonderfully new.

We honor Cantonese cooking traditions while adding creative touches, always focusing on perfect ingredient combinations, balanced flavors, and expert cooking methods to give you a memorable dining experience.

Our founder Nansen Lai (son of famous chef Lai Yu Sum) previously led the Chinese restaurant at Four Seasons Hotel Egypt. Growing up in a family of chefs, he brings deep knowledge of Cantonese cooking and a talent for combining Chinese techniques with fine ingredients from around the world.

青蓮翅/高茶勾翅

很多人對青蓮翅會感到陌生,但如果說高茶勾翅,吃貨都會知道,那是一個翅針粗而軟滑的品種,作紅燒或頂湯翅最宜,其實產青蓮翅的鯊魚,其尾部制成的勾翅,也就是高茶勾翅了。是最上等勾翅的選擇,亦是最頂級魚翅之一。

Mako Shark's Fin

Many people are unfamiliar with "青蓮翅", but gourmets all know it by the name "高茶勾翅" (Mako Shark's Fin). This variety features thick yet tender fin needles, making it perfect for braised or supreme soup preparations. It represents the finest selection of tail fins and stands among the most premium shark fins available.

店主Nansen於2007至2009年間任職埃及四季酒店餐飲主管時，因應當地的宗教飲食禁忌，與廚師團隊突破傳統，以牛、羊、雞、魚等優質肉類替代豬肉，搭配特色糖漿精心研製出多款創新叉燒，讓賓客得以體驗粵式燒味的精髓。

During Nansen as F&B Manager at Egypt's Four Seasons Hotel (2007-2009), our owner innovated pork-free char siu using premium beef, lamb, chicken and fish - thoughtfully paired with artisanal syrups to honor Cantonese barbecue traditions while respecting local customs.
